

A GRADE INTER-CITY WINNERS

Following the donation of the "Umpires Cup" by well known Dunedin umpire Mr Doug McCammon the men's series between Southland and Otago men's teams was played in the 1971-72 season. Two years later Invercargill's Marist Club donated the Brother Cassian Cup for competition by women's teams, in memory of a Marist Brother who played a major role in the formation of Southland Softball, and who during a later stint in Invercargill was a strong advocate of women's Softball.
