Hi everyone

Attached is an update of what the board and I have been doing for the past few months PLEASE read and distribute to your members

U17 Boys fundraiser - Last Saturday night

The boys want to thank EVERYONE who came and supported them on Saturday night, it was a great night in and they are very pleased with the amount that they raised. Your support is appreciated; it was awesome to see a new team the Demons Women's team in the clubs - what a great bunch of girls! And we were stoked to see the Evergreens back in the clubrooms again as well.

Scoring

We had a good turnout last night for the morning grade scoring class, thank-you to everyone who made the effort to attend, as it was arranged at short notice. I am looking forward to improvements in the scoring of the morning grade cards. Please contact Elaine or myself if you would like to take your learning further and learn how to score at senior level. Elaine and her scorers are a fantastic resource for us and are keen and willing to share their knowledge. Elaine is happy to take a weekly class.

Getting started in Coaching

PLEASE distribute the attached Getting Started in Coaching poster to your members. This is a wonderful and FREE opportunity for new coaches (in any code) to learn how to maximise training time etc. I have had very positive feedback about the ones that were run over winter. Please encourage any coaches, interested parents, and players to come along, I guarantee that everyone will learn something!

20 Questions

Has everyone your team done yours? PLEASE CONTACT Rata Hopa, or myself if you have not. I am away this weekend, but Rata, Grant and Ari will be round. Unfortunately a team has already lost points for fielding a player who has not done the test. No excuses, please just get it done.

Up and coming

We have loads happening over the next few weeks, so please keep looking at the event calendar, and facebook for important dates. Keep some Saturday nights free next month for our Retro Uniform night, the U15 and U17 girls fundraising nights and an association fundraising event a Run-a-thon for morning grade players (Details to come). We are also planning a social for children and the date will be confirmed shortly
