

## **Notices – emailed to clubs Friday - 4/10/13**

### **Time limits**

All games will be 1 3/4 hours - to ALL afternoon Premier Grades including the Premier League. Please ensure all your coaches, managers, players and umpires understand this.

### **Umpiring**

Remember failure to show will result in your club being fined \$100, if any of your clubs would like umpiring sessions, Don, Leon, and Jill are more than happy to help and please contact them directly to arrange

### **20 Questions**

Session times this Saturday 5/10/13- 11:00am 12:00pm. Remember this is a really good learning opportunity, a chance to increase your knowledge of our game, and to support player and umpire development. A HUGE thank-you to all the clubs, and individuals who have got behind this and have promoted and completed these already. We have been really impressed by the knowledge of some of our players and particularly our juniors and young representative players, and equally surprised by the people who 'thought' they knew

If you still have players who have not completed please arrange to do so prior to taking the diamond. Please contact the Convener to arrange a session if you have people that need to complete these

### **Scoring**

Please arrange a session for your morning grade parents/managers/helpers and contact Elaine Karsten to arrange a session for them. Elaine and her scorers are all very passionate about scoring and are all willing to share their knowledge

### **KIWISOX Officials Programme - Umpiring and Scoring**

Our PINK ZONE girls camp attendee's completed a scoring session with Elaine and are all now capable of scoring morning grade, do you have any children in your club who are interested in learning how to score? Please get any children's names and contact details to me asap of those children who are interested. All the girls also completed the 20 questions and were all very keen on learning our rules and increasing their knowledge of our game

### **Registrations - Re-grades/Dispensations**

Team registrations lists will go on the website early next week as will regrades - for all grades, so please get these in to me as soon as you can

### **Canteen**

Is inside this year, please go in and support Sandy and provide any feedback on food options directly to her

### **Big night in the clubrooms**

Saturday 12/10/13 Deane Steel has been booked to play, and it is the U17 boys fundraising night - further details to follow

### **Fees**

Are due 31/11/13 - invoices will be sent once registrations are complete

### **Working bee**

Another is arranged for Saturday morning of Labour weekend, if you are around please come along and help, there are light and inside jobs as well. Further details to follow

See you all tomorrow :)
